

The revision of the claims does not add new matter and does not add matter to the claims which would necessitate a new search and/or consideration by the Examiner. Moreover, the Examiner indicated that Claims 11 and 12 would be allowable if rewritten in independent form. The revised claims which are herewith presented by applicants are, therefore, deemed to place the application in condition for allowance²⁾. Favorable action is solicited.

Early action by the Examiner would be greatly appreciated by applicants.
